HOMESHOW COMMITTEE

plans and implements all facets of this important annual BIA event which attracts thousands to see new products and services for the home.

PARADE OF HOMES

This has been the premier new home sales event in the area for more than 40 years, and is probably the most significant event of the year for builders. This committee helps organize this great event.

NAIL DRIVERS' CHARITY GOLF TOURNAMENT

This tournament is fun for novices and pros alike. It raises money for charitable efforts of the BIA and is a great chance to network with builders and associates.

COMMUNITY AFFAIRS COMMITTEE

oversees the charitable activities supported by the BIA throughout the year.

GOVERNMENTAL AFFAIRS COMMITTEE

follows local legislation and regulation on issues of significance to the industry and coordinates such efforts on a state level.

EDUCATION COMMITTEE

meets to discuss the education needs of our members as well as work on the formation of local Future Builders of America chapters.

MIKE JOSEY MEMORIAL SPORTING CLAY TOURNAMENT

is a committee started in 2008 in memory of board member, Mike Josey. This committee was started to raise money for Mike's children's education, but has since formed into a charitable event that raises money for the Mike Josey Memorial Scholarship Fund, which support students going into a construction related field.
